

## ROTARY CLUB OF MONTROSE SPONSORSHIP

It is with excitement that we announce that the **Rotary Club of Montrose & District** will kindly sponsor the junior soccer club on an annual basis. This year the sponsorship has enabled us to purchase a set of Samba goals for the Under 9 teams. Every year the oldest age group in the club will have the Best and Fairest trophy awarded in their Rotary Club's honour. Thankyou to the members of the Rotary Club of Montrose & District.

## WORLD CUP NIGHT – 5TH AUGUST

In celebration of the 2010 soccer world cup, face painting, soccer competitions and a sausage sizzle on the 5th August at 5pm. Come dressed in your favorite teams colours and win a prize. Players will be put into World cup country teams to participate in activities like juggling the ball on your foot and head, time trial dribbling, long range shooting for goal, penalty taking and 1 on 1. Join in the fun! Volunteer parents required to cook the BBQ, see Martyn Andrews if you can help.

## MONTROSE GALA DAY – 7TH AUGUST

On Saturday 7th August, Montrose will host its Gala Day with Under 6 and 7 teams from Mooroolbark, Croydon, Boronia and Ringwood. As you will have seen from previous junior gala days the scale of this day is enormous, with over 100 players participating and many supporters cheering on.

The call for volunteers goes out to parents from ALL junior teams to assist the coaches in running the day. We will require approximately 20 volunteers to help with such things as car park attendants, organising and running the canteen/bbq, game leaders, and odd jobs people. At this stage I'm disappointed that we have had only two people volunteer from the junior club. Whilst 15 members of senior club and people who aren't even involved in the club are helping. Come on parents of juniors all it takes is a few hours on Saturday!

The other clubs that have hosted one of these gala day's have really done an amazing job, lets make sure we do the same. Please call Ben Clark 0433 667 966.

## MATCH REPORTS

**Under 12** On Sunday we played Mooroolbark, Alex whiting who had just come from a fundraising run showed that he was ready to go, and from the start got the ball and attacked the mooroolbark defence and scored. A few players on the field looked like they were off their game, so we were lucky we were playing mooroolbark and not boronia. We managed to score five goals in the first half with most of them going to alex. I must say that my job as coach is getting harder and harder with players playing so well, and with a squad of 16 making sure all players get some time on the field can be difficult, however each player should know that they are a member of the team, and as a team we will be successful. The second half i enforced that we should be playing like we have been training, passing the ball to feet, creating space, supporting each other. The team did a great job of this and we managed to score 9 goals in the second half. A good win again, this weekend we travel to ashburton. Coach Martyn

## MATCH REPORTS

**Under 11 – Blue Team** Our opponents Boronia are near the top of the ladder and playing well, it was going to be a good test of our skills and see how much we've improved as a team. The team was at full strength for the first time in a few weeks. We started a little slower than usual but worked into the match with good play from our midfield, Luke and Sophie we're combining well, with Matty running everywhere, James was making some good tackles and winning the loose ball. Charlotte was proving a handful for the Boronia defence. It was our defence that was letting the team down. Our defenders weren't marking and an opposition player or clearing the ball, this resulted in two avoidable goals to Boronia. We hit back quickly with a goal from excellent forward pressure from Charlotte. Isaac continued on the forward pressure and created a couple of opportunities. Grady made a good reflex save to keep us at 2-1 down at half time. The defence settled down and Eddie and Sam playing very well. Darcy and Hamo learnt the lesson from the first half and were talking to each other - the defence was working as a team. Charlotte scored her second goal from good dribbling and a fine strike. At the final whistle a 2-3 loss but the skill and endeavour shown by all players tells me a win is not far away, good game Mighty Montrose. *James was player of the match for his good dribbling skills.* Coach Ben

**Under 11 – Red Team** Our game on the weekend was played with passion and a desire to win, which is something our team has finally found. Although we were beaten, we never stopped trying till the final whistle, which was great to see. The whole team played well, but a special mention must go to Jeremy, who played very well in goal, and Jordan who played well up front, but my player of the day goes to William who went on some great solo runs through the other team and was unlucky with the final pass. To all my players keep up the work rate and that first win won't be far away. *My player for the day was William.* Coach Doug

**Under 9 – Blue Team** The day started well, all the kids got there on time, we were at home, so that was an advantage, but unfortunately that is where the 'good stuff' ends. The game started and straight away it was obvious the kids hadn't got their 'game brains' in. We were all over the place, no 'marking up' no passing the ball and we had forgotten how to tackle. At halftime the kids all came off laughing and chatting. So it was time to give them a blasting. Even though they are an under 9s team, they should still want to win and at least provide decent opposition. So after a bit of a wake up call the second half started, it was a tiny bit better but nothing of note. They all seemed to have forgotten the basic skills, especially at the goal kicks, where they are supposed to give the goalie options and movement, this didn't happen. All in all a very disappointing match, a step in the wrong direction. So let's put this one behind us and get back into our winning ways. *Man of the match was Alex Clark, for some great chasing and tackling.* Coach Nick.

**Under 9 – Red Team** This week we played Waverley Victory who had beaten us convincingly earlier in the season. I was confident of a good match with the excellent form we have shown in the last few weeks. Alex filled-in for goalie Josh, Jackson and Paddy were the defence, Ty a defensive midfielder, and Ethan, Luyando and Harrison in midfield. The match started at a frantic pace – hard running from Harrison and Luyando created good scoring opportunities for Ethan but we were denied by good defence by Waverley. Paddy and Jackson were excellent in defence, clearing up every loose ball and tackling hard, they listened to the coach and didn't run out of defence into the forward line too much, well done boys. Ty was a good link to the forwards with his passing and made some terrific tackles. Unluckily we were down by a goal at the break. We came out firing with the midfield desperate to win the ball, Ethan had some good opportunities to score, the Waverley defence was a tough one to crack. A swap with Paddy to goalie and Alex to midfield payed-off instantly with a great team goal by Alex from excellent play by Luyando. The last 5 minutes were fantastic, the Montrose boys were dominating and pushing hard for the equaliser but it wasn't to be. A great team game that thrilled the spectators and coach. Our best game of the season, well done boys. *Paddy was man of the match for his excellent defending and goal keeping!* Coach Ben
